#### **PEDIGREE LARGE DOG PAIRS RELAY**

Two dogs with separate handlers will compete over the same course of a minimum of 16 obstacles. When the first dog/handler returns to the start/finish, there will be a baton change between handlers. No part of the second dog/handler must be over the start line; failure to observe this will incur a penalty of twenty points. The baton must stay behind the start line at all times.

The course must include: Weaving Poles, Pipe Tunnel and Collapsible Tunnel.

No contact point obstacles to be used. Handlers may enter more than one dog in a heat; the first dog to qualify will go into the final. Handlers can compete in further heats for competition after they have qualified for the final. This competition will be classified as a combined class for Grades 1 to 7.

The first two pairs from each heat will go forward to the final. Dogs eligible to compete in competition are for Large Dogs measuring over 430mm (1ft 5in)

#### **THE KENNEL CLUB OLYMPIA LARGE DOG AGILITY STAKES Supported by Pedigree**

Competitors may enter more than one dog in a heat. Competitors may qualify more than one dog for the semi-final. Only one dog may qualify for the final (the first dog qualified at the semi-final). Once a dog has qualified for the final/semi-final, further heats may be entered for competition although any placings in these further heats will not affect the dog's eligibility for the final/semi finals.

The first ten dogs from each heat will go forward to the semi-finals at the Royal Show at Stoneleigh and the Town & Country Festival at Stoneleigh. Twenty dogs will compete in each of the semi-finals with the first five from each semi-final going through to the final at Olympia.

The thirty-five dogs who qualify for Olympia will be invited to compete in a further semi final at Olympia. The top ten highest placed dogs in the Olympia semi final will qualify for the final in the Main Ring at Olympia.

Those dogs eligible to compete in competition for **Large** dogs are those measuring over 430 mm (1 foot 5 inches) at the withers.

This competition will be classified as **combined Grade 6 and 7** and judged under the Kennel Club regulations for standard classes.
